OFFERING SUMMARY

- 16,122-Square-Foot Industrial Building on 1+ Acre
- Building Offers Heavy Power, 16' Clear Height, Sprinklers, and Tilt Wall Construction
 - Accessible Location Just Off Peoria/I-70
- 20 Minutes to DIA; 20 Minutes to Downtown Denver
 - Desirable Submarket with 4.4% Vacancy Rate

Marcus & Millichap is pleased to present the opportunity to acquire the property located at 4825 Oakland Street in Denver, Colorado. The subject property consists of approximately 16,122 square feet of warehouse space and is situated on 1.03 acres of land. This tilt wall constructed asset features a clear height of 16', sprinklers, and heavy power. Located just off the Peoria Street exit from Interstate 70, the property is only a 20-minute drive from both downtown Denver and the Denver International Airport.

The subject property is positioned within Central East Interstate 70/Montbello, a mid-sized submarket in a desirable location containing 18.2 million square feet of industrial space. For much of the last decade, the vacancy rate has remained below 5 percent and closed out 2022 at just 4.4 percent. After contracting for four straight quarters, net absorption rebounded, posting its third-highest level in ten years at about 215,000 square feet during Q4. Over the last year, notable activity in the submarket includes Larsen Warehousing and Distribution expanding to a 168,000-square-foot space, and shoe manufacturer, Feel The World, leasing 86,000 square feet. While rent growth has cooled off in recent quarters, the annual pace of increase remains elevated at 8.6 percent in Q4 2022. Market rents in the submarket now average about \$8.30 per square foot, offering tenants a 28 percent discount compared to the overall Denver market.

With nothing currently underway, vacancies and rent growth will go unimpeded by new supply for the foreseeable future (CoStar).

Denver-Aurora-Lakewood metro is home to three million people among 10 counties. Known as the Mile High City, Denver, which is also a county, serves as the state's capitol and largest city, with approximately 742,800 residents. Metro Denver houses 10 Fortune 500 companies, including Newmont Goldcorp, Arrow Electronics, and DISH Network. Aerospace, financial services, and health care are some of the industries that have driven economic growth in the new millennium. The passage of Amendment 64 in November 2012, created a new industry in marijuana, largely consisting of young thriving businesses. Metro Denver provides a high quality of life with rural and urban amenities. Rocky Mountain National Park is less than two hours driving from the metro area, and the city houses franchises for all four major sports.

The background of the slide is a dark, blue-tinted photograph of an industrial interior. It shows a large, multi-level structure with a complex network of steel beams and pipes. Several large, white, dome-shaped pendant lights are suspended from the ceiling. In the lower-left corner, a large, white, segmented industrial door is visible. The overall atmosphere is industrial and modern.

MARKET OVERVIEW

Marcus & Millichap

DENVER COLORADO

The Denver-Aurora-Lakewood metro is at the center of Colorado's Front Range, nestled at the convergence of the Great Plains and the majestic Rocky Mountains. The market consists of 10 counties: Broomfield, Arapahoe, Denver, Adams, Douglas, Jefferson, Clear Creek, Elbert, Gilpin and Park. Denver, which is both a county and a city, is the largest of each, with approximately 742,800 residents. Denver also houses the state capitol. The eastern and northern reaches of the metro are expected to attract most future development, as land in these areas is relatively flat and affordable. Denver's elevation of 5,280 feet above sea level earns it the nickname "Mile High City."

ECONOMY

Key drivers of the region's economy include aerospace, bioscience, energy, financial services, health care, aviation, information technology and telecommunications. Denver's economy is expanding, with the annual change in gross metropolitan product expected to exceed 5 percent this year. Many of Denver's largest employers are in population-serving businesses, such as retail and health care, and their expansion will track population and income growth. There are 10 Fortune 500 companies located in the metro, including Newmont Goldcorp, Arrow Electronics, DISH Network, DaVita, Qurate Retail Group and VF Corporation.

METROPLEX GROWTH

The metro is expected to add 206,600 new residents during the next five years, as the market benefits from household migration trends that emerged from the health crisis. Gains in higher-paying employment sectors keep the median household income well above the national median. Elevated incomes have allowed 63 percent of households to own their homes, nearly matching the national rate.

The Denver metro area offers residents urban and rural surroundings, in addition to exciting nightlife and outdoor fun. Five professional sports teams play in venues within a short walk or drive of downtown Denver. The local arts community is vibrant, and the city's large park system provides relaxing opportunities to enjoy the outdoors. The allure of the Rocky Mountains keeps residents active. Rocky Mountain National Park is less than two hours from the metro and offers numerous campsites and hiking trails. Avid skiers and snowboarders are close to world-class ski resorts, such as Vail, Beaver Creek and Copper Mountain. The Denver metro will continue to grow as the area's high quality of life attracts new residents.
