OFFERING SUMMARY

- 21,000 Square Feet of Light Industrial Space Situated on 0.82 Acres
 - Features Rare Ample Land with 0.32 Acres of Yard Space
- Vacant Sale Offering Owner Use or Multi-Tenant Lease-Up Opportunity
 - Close Proximity to I-10 and Union Pacific Rail Hub
 - Tight Barrier-to-Entry Submarket with 4.0% Vacancy Rate

Marcus & Millichap is pleased to present the opportunity to acquire the property located at 1805-1831 Myrtle Avenue in El Paso, Texas. The subject property consists of approximately 21,000 square feet of light industrial space and is situated on 0.82 acres of land. The multi-tenant asset features masonry construction, one grade-level door, three dock-high doors, three HVAC units, and a clear height between 12' to 17'. With 0.32 acres of available land, the property has a large amount of yard space relative to most industrial properties in the area. For sale as vacant, buyers can acquire the property for owner use or as a lease-up/redevelopment opportunity. With two divisible walls, the property can easily accommodate up to three tenants. Situated in close proximity to Interstate 10 and a Union Pacific rail hub, the property has a prime location in the Central submarket.

Encompassing the area surrounding downtown El Paso, the Central is a small submarket containing 4.8 million square feet of industrial space. Given its urban location, 88 percent of the inventory was developed before the turn of the century and is sized below 100,000 square feet. In 2023, net absorption noticeably dropped into negative territory as tenants vacated 142,000 square feet of space in the Central submarket. Despite demand contracting, the vacancy rate remained low after rising 300 basis points to 4.0 percent. Following the national narrative, rent growth slowed down in 2023 with asking rents up only 3.8 percent. In the near future, both rent growth and vacancies will be supported by the lack of new supply as there were no industrial properties under construction at the start of 2024 (CoStar). Thanks to the Paso del Norte Port of Entry into Mexico, the Central submarket stands to benefit from the recent nearshoring movement in which many American businesses are relocating production operations from East Asia to Central America.

The El Paso metro is located at the westernmost corner of Texas, bordering New Mexico and the state of Chihuahua in Mexico. It is composed of El Paso and Hudspeth counties. Access to Mexico plays a major role in the local economy. The city of El Paso, when combined with Las Cruces, New Mexico, and Ciudad Juarez in Mexico, is sometimes referred to as the international metropolitan area of Paso del Norte and has one of the largest bilingual and binational labor pools in the western United States.

As the largest metro along the Texas-Mexico border and the sixth-largest city in Texas, El Paso is a top 20 percent U.S. performing economy and represents one of the largest manufacturing centers in North America. Recognized as globally competitive, the region boasts the largest bilingual and bi-cultural workforce in the Western Hemisphere (elpasotexas.gov). El Paso was a finalist for the 2018 National League of Cities "All-America City," 2018 Best of Texas Awards, and WalletHub's #1 Best Run City in Texas in 2017. In 2018 alone, El Paso County added 4,200 jobs. Major employers include Pacific Union Financial, UPS, Veritas Management Group, and iFly.

INFORMATION ABOUT BROKERAGE SERVICES

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

11-2-2015

TYPES OF REAL ESTATE LICENSE HOLDERS:

- A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
