OFFERING SUMMARY

- ±23,490-Square-Foot Light Industrial Warehouse Situated Over ±1.84 Acres of Land
- Features 30 Trailer Spots on Full Concrete Yard, 16' to 22' Clear Height, and Six Dock Doors
- Located Near I-35 and I-69W Interchange in Prime Industrial Park with Strategic Access to #1 Port in U.S.

 - High-Growth Industrial Market with 3.5% Vacancy Rate Among Comparables

Marcus & Millichap is pleased to present the opportunity to acquire the property located at 828 Hallmark Drive in Laredo, Texas, leased to Vectorial Network Logistics. The subject property consists of approximately 23,490 square feet of warehouse logistics space and is situated on 1.84 acres of land. Delivered in 2007, the single-tenant asset features a clear height ranging from 16' to 22', six dock-high doors, metal construction, two HVAC units, and 12 parking spaces. With a fully concrete-paved yard that can contain up to 30 trailers, the property is ideal for distribution and logistics. Primely located in the Milo Industrial Park, the property has strategic access to a strong workforce, Interstates 35 and 69 West, and the World Trade Bridge. Expiring in December 2025, the tenant is signed to a modified gross lease at \$7.41 per square foot. Established in 2012, Vectorial Network Logistics is a wholesale importer and exporter, specializing in customs, logistics, distribution, storage, and transportation of merchandise. The vacancy of Vectorial Network Logistics gives buyers a lease-up or owner-user opportunity.

The Laredo industrial market is relatively small, containing 47.7 million square feet of space, centered around international trade with Mexico. In 2024, net absorption remained in positive territory at 711,000 square feet. Given that most of the new supply was concentrated in midsize and big-box warehouses, the vacancy rate among comparable properties under 50,000 square feet, remained in low territory last year at 3.5 percent. (CoStar).

Located on the U.S.-Mexico border, Laredo has a long history as the center of trade between the two countries. Laredo became the first official port of entry on the border in 1851 and today is the leading port in the nation among more than 450 airports, seaports, and border crossings, handling \$320 billion in trade in 2023. Each year, over four million commercial trucks pass through Port Laredo, creating a robust logistics industry. Area colleges and universities deepen the advantages for companies, providing thousands of students equipped with the skills to fill in-demand jobs each year. After experiencing a significant decline during the pandemic in 2020, metro Laredo's population stabilized, rising to 269,000 in 2023 (Texas Economic Development Corporation, Laredo Economic Development Corporation). In recent years, Laredo has been the top beneficiary of the ongoing nearshoring movement in which domestic companies have shifted production from China to Mexico in the wake of rising tariffs and the Chinese lockdowns that took place during the pandemic. In early 2023, Mexico surpassed China as America's top importer, providing a windfall for ports of entry primarily along the Texas-Mexico border (U.S. Census Bureau).

INFORMATION ABOUT BROKERAGE SERVICES

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

11-2-2015

TYPES OF REAL ESTATE LICENSE HOLDERS:

- A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
