INVESTMENT OVERVIEW

Marcus & Millichap

- 14,020-Square-Foot Tilt-Wall Warehouse Situated Over 1.03 Acres of Land
- Features 18' Clear Height, Two Concrete Platform Dock Doors, Loading Ramp, and Secured Fenced-in Full Asphalt Lot
 - Conveniently Located Near I-10 and Loop 375 with Proximity to Major Shippers DHL, FedEx, and XPO
 - Pending January 2026 Lease Expiration Allows Owner-User or Lease-Up Investment Opportunity
 - Situated in El Paso's Leading Industrial Submarket | 4.3% Vacancy Among Comparables

Marcus & Millichap is pleased to present the opportunity to acquire the property located at 12140 Freight Lane in El Paso, Texas, leased to Texas Meter & Device. The subject property consists of approximately 14,020 square feet of warehouse space and is situated on 1.03 acres of land. The single-tenant asset features tilt-wall construction, a clear height of 18', two concrete platform dock-high doors (one accessible via ramp), two HVAC units, and a secured fenced-in asphalt lot with 12 parking spaces. Situated in an industrial park, highlighted by major logistics companies DHL, FedEx, and XPO, the property has close proximity to the interchange between Interstate 10 and Texas State Highway Loop 375. The property is leased through January 2026 at \$10.40 per square foot with a one-year renewal option at the same rental rate. In the case of nonrenewal, this sale offers an owner-user or lease-up investment opportunity. Established in 1937, TMD is a leading national electric metering services company and supplier of safety tools and equipment.

The subject property is located in the East submarket, El Paso's largest industrial hub, containing 50.5 million square feet of space. During the first quarter of 2025, industrial demand continued to rebound, with net absorption posting 645,000 square feet. As a result of net absorption outpacing 218,000 square feet of net deliveries, the vacancy rate receded from its record-high by 90 basis points to 13.1 percent. However, among comparable properties under 50,000 square feet in the East submarket, the vacancy rate remained low at 4.3 percent. Across the East submarket, annual rent growth lies at 2.4 percent. In Q1, market rents averaged about \$8.50 per square foot for all East industrial properties and \$10.60 per square foot for comparables. At the start of Q2, there were 3.6 million square feet of industrial space under construction in the East submarket, nearly all concentrated in properties of at least 50,000 square feet (CoStar).

The El Paso metro is located at the westernmost corner of Texas, bordering New Mexico and the state of Chihuahua in Mexico. It is composed of El Paso and Hudspeth counties. Access to Mexico plays a major role in the local economy. The city of El Paso, when combined with Las Cruces, New Mexico, and Ciudad Juarez in Mexico, is sometimes referred to as the international metropolitan area of Paso del Norte and has one of the largest bilingual and binational labor pools in the western United States.

As the largest metro along the Texas-Mexico border and the sixth-largest city in Texas, El Paso is a top 20 percent U.S. performing economy and represents one of the largest manufacturing centers in North America. Recognized as globally competitive, the region boasts the largest bilingual and bi-cultural workforce in the Western Hemisphere (elpasotexas.gov). El Paso was a finalist for the 2018 National League of Cities "All-America City," 2018 Best of Texas Awards, and WalletHub's #1 Best Run City in Texas in 2017. In 2018 alone, El Paso County added 4,200 jobs. Major employers include Pacific Union Financial, UPS, Veritas Management Group, and iFly.

TENANT SUMMARY

"TMD aims to be the nation's premier provider of AMI, metering and utility services for electric, water and gas utilities."

TENANT Texas Meter & Device

headquarters Waco, TX

date founded 1937

www.texasmeter.com

TMD Est. 1937

Texas Meter & Device (TMD), based in Waco, Texas, is a leading company in the utility industry, serving electric, water, and gas utilities across the United States since 1937. They specialize in providing advanced metering solutions and safety equipment to help utilities measure and manage energy and water consumption efficiently. TMD is known for its expertise in electric metering services and offers a wide range of products and services designed to support utility companies in their operations.

Major services offered by Texas Meter & Device include:

- Advanced Metering Infrastructure (AMI) integration and retrofit, which modernizes utility meters for better data collection.
- Project management and field testing to ensure meters and systems work accurately and safely.
- Custom design and fabrication of meter sets tailored to specific utility needs.
- High-voltage testing and certification to maintain safety standards.
- Supply of personal protective equipment (PPE), tools, and safety gear for utility workers.
- Support for commercial and industrial (C&I) meter software and installations.

TMD combines technical expertise with quality products to help utilities deliver reliable service to their customers. Their focus on safety, innovation, and customer support makes them a trusted partner in the utility sector (TMD).

MMCC—our fully integrated, dedicated financing arm—is committed to providing superior capital market expertise, precisely managed execution, and unparalleled access to capital sources, providing the most competitive rates and terms.

We leverage out prominent capital market relationships with commercial banks, life insurance companies, CMBS, private and public debt/equity funds, Fannie Mae, Freddie Mac, and HUD to provide our clients with the greatest range of financing options.

Our dedicated, knowledgeable experts understand the challenges of financing and work tirelessly to resolve all potential issues for the benefit of our clients.

1,249 Financing Transactions in 2024

National platform operating within the firm's brokerage offices

\$6.7 billion total national volume in 2024

Access to more capital sources than any other firm in the industry

WHY MMCC?

Optimum financing solutions to enhance value

Enhanced control through MMCC's ability to qualify investor finance contingencies.

Enhanced control through quickly identifying potential debt/equity sources, processing, and closing buyer's finance alternatives.

Enhanced control through MMCC's ability to monitor investor/due diligence and underwriting to ensure timely, predictable closings.

MARKET OVERVIEW

Marcus & Millichap

EL PASO TEXAS

The El Paso metro is located at the westernmost corner of Texas, bordering New Mexico and the state of Chihuahua in Mexico. It is composed of El Paso and Hudspeth counties. Access to Mexico plays a major role in the local economy. The city of El Paso, when combined with Las Cruces, New Mexico and Ciudad Juárez in Mexico, is sometimes referred to as the international metropolitan area of Paso del Norte home to one of the largest bilingual, binational labor pools in the western United States.

INTERNATIONAL TRADE ROUTE

MANUFACTURING HUB

MILITARY PRESENCE

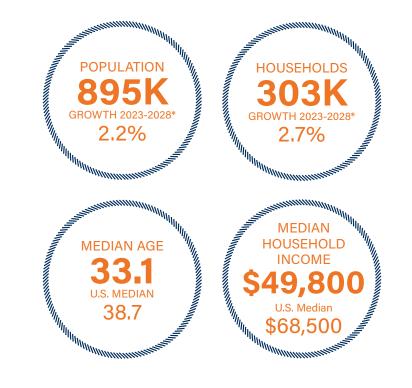

METROPLEX GROWTH

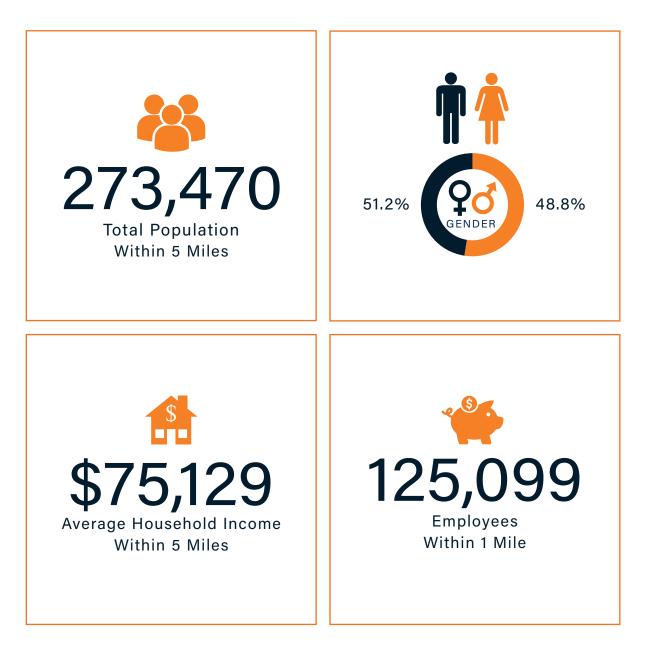

ECONOMY

The large manufacturing sector includes automobiles, automobile components, consumer electronics, biomedical, defense, medical devices, as well as apparel and textile manufacturing. Back-office call centers are also major employers in the local economy and in neighboring communities. They include companies like Automatic Data Processing. Numerous large corporations have facilities in the metro, including Charles Schwab, Raytheon Company, Delphi, Prudential and Toro Company. The University of Texas at El Paso provides a skilled labor pool and is a major employer.

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

• A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.

• A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

• Put the interests of the client above all others, including the broker's own interests;

• Inform the client of any material information about the property or transaction received by the broker;

• Answer the client's questions and present any offer to or counter-offer from the client; and

• Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. An owner's agent fees are not set by law and are fully negotiable.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. A buyer/tenant's agent fees are not set by law and are fully negotiable.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

• Must treat all parties to the transaction impartially and fairly;

• May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.

- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

• The broker's duties and responsibilities to you, and your obligations under the representation agreement.

• Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
