Marcus & Millichap is pleased to present the opportunity to acquire the property located at 3822 Pleasanton Road in San Antonio, Texas, occupied by the owner, Jarlin Cabinetry. The subject property consists of approximately 99,700 square feet of flex warehouse space and is situated on 8.97 acres of land. The six-building asset features metal construction and roofing, a clear height of 21', 22 grade-level doors, five HVAC units, 130 parking spaces, and one to three-phase power with 110 volts and 220 amps. With frontage along Moursund Boulevard (Pleasanton Road), the property has proximity to Interstates 35, 410, and 37. Upon the sale of the property, the owner plans to vacate the property or sign a six-month leaseback at \$4.80 per square foot, creating an owner-user or lease-up investment opportunity. The flexible space can be subdivided into multiple spaces, permitting the operation of retail and office uses, along with industrial.

The subject property is located within the geographically large South San Antonio submarket, containing a sizeable 43.3 million square feet of industrial space. In Q1 2025, net absorption rebounded to a two-year high, doubling the increase in new supply. After peaking at a record high at the start of 2024, the vacancy rate fell 170 basis points to 10.5 percent in Q1. Vacancies have continued to show signs of improvement at the start of Q2. The reduction in availability helped annual rent growth recover 50 basis points in Q1 to 3.8 percent, pushing the average market rent to about \$10.10 per square foot. With 1.4 million square feet of industrial space under construction in the South submarket, representing 3.2 percent of the inventory, supply will have some additional impact on vacancies and rents in the near future (CoStar).

Home to the Alamo and famous River Walk, San Antonio metro is the primary residence of 2.7 million people. San Antonio is the second most populous city in Texas behind Houston, housing more than 1.5 million residents. The local economy is anchored by the industries of healthcare, tourism, and national defense. An extensive transportation network provides shipping options to domestic and international markets. Additionally, the formation of the Eagle Ford Shale that runs through Atascosa and Wilson counties has cultivated a thriving energy sector. Valero Energy, one of the largest oil companies in the U.S., is headquartered in San Antonio. Major private employers include AT&T, Wells Fargo, USAA, and Toyota. San Antonio offers a high quality of life with a variety of entertainment including the NBA's San Antonio Spurs, SeaWorld, and Six Flags.

MARKET OVERVIEW

Marcus & Millichap

SAN ANTONIO TEXAS

Home to the Alamo and famous River Walk, the San Antonio metro is located in the southern portion of central Texas and straddles the Interstate 35 corridor, one of the fastest-growing areas in the state. The metro encompasses eight counties: Bander, Atascosa, Kendall, Comal, Bexar, Guadalupe, Medina, and Wilson. Situated only 160 miles from Nuevo Laredo, Mexico, San Antonio is an easy drive on I-35 from the border and serves as a major gateway between the United States and Mexico. The area is further enhanced by an extensive transportation network that provides shipping options to domestic and international markets, as well as the Eagle Ford Shale formation that runs through Atascosa and Wilson counties. San Antonio is the most populous city in the metro, housing nearly 1.5 million residents. New Braunfels also has a local population above 100,000 citizens.

The Eagle Ford Shale deposit has contributed to the diversification of jobs into the energy sector. Valero's corporate headquarters are here, as well as firms like NuStar Energy. Lackland Air Force Base, Randolph Air Force Base, Fort Sam Houston, and Camp Bullis are among the myriad military installations located in the metro. An important component of the health care industry is South Texas Medical Center — a conglomerate of hospitals, clinics and research, as well as higher education facilities.

DEMOGRAPHICS

The metro is expected to add more than 153,000 people through 2028, resulting in the formation of roughly 62,000 households. A relatively youthful population contributes to a homeownership rate of 63 percent, which is slightly below the national rate of 64 percent. Roughly 28 percent of residents ages 25 and older hold a bachelor's degree; 10 percent of residents have also earned a graduate or professional degree.

QUALITY OF LIFE

Culture and history abound in places like La Villita, the Spanish Governor's Palace, San Fernando Cathedral, Casa Navarro State Historic Site, and the Alamo. Tradition blends with more modern attractions, such as the River Walk, a 2.5 mile stretch of parks, cafes, nightclubs and hotels. Upscale apartments built along the walk have brought more residents into the city. The metro is also home to numerous sporting events and teams, including the NBA's San Antonio Spurs, San Antonio FC Soccer and AA Baseball's Missions. Also, the University of Texas at San Antonio Roadrunners play NCAA Division 1 football. Art enthusiasts can visit many museums and cultural centers in San Antonio.

Information About Brokerage Services

2-10-2025

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
